CURRICULUM VITAE

TRAINING

Law degree with a thesis in civil procedural law from the University of Milan.

He attended the "Federico Guasti" School of Notaries in Lombardy.

He carried out his training among leading firms in Milan, both notary and legal, completing both professional practices.

In 2004 he passed the bar exam. He was admitted to the Milan Bar Association.

In 2017 he successfully participated in the ULOF Course on over-indebtedness and for crisis managers, with a final grade of 54/60, thus obtaining the qualification of Manager of over-indebtedness crisis.

In 2018 he obtained the Privacy Officer and Privacy Consultant master's degree, organized by Federprivacy and Wolters Kluwer Italia S.r.l., thus obtaining the qualification of Privacy Officer and Privacy Consultant.

PROFESSIONAL EXPERIENCES

In 2020 he joined Lexacta as a partner.

Since 2018 he has been appointed as a professional delegate in the course of numerous sales transactions before the Court of Milan for executive and bankruptcy procedures.

On July 18, 2005 he founded MCM Studio Legale Associato Majocchi Cavajoni Molinari, a legal "boutique" tailor-made for Small and Medium Businesses, to which he provides legal assistance and consultation services.

PROFESSIONAL ACTIVITY AND TRAINING

He is an expert, and has in-depth knowledge, in the following areas:

Contracts: consultation in negotiations and drafting of internal and international business contracts, judicial and extrajudicial assistance in the event of disputes.

Corporate compliance privacy: assistance and consultation for companies regarding compliance, with particular reference to privacy, in accordance with the legislation introduced by EU Regulation no. 679/2016. He is also Data Protection Officer (DPO) for some client companies.

Procedures for settling over-indebtedness crises: assistance and consultation aimed at verifying requirements, requested by law for accessing procedures; preparation of agreement proposals, consumer plan and liquidation requests; assistance in managing relations with the OCC and in procedure before the competent Court.

Litigation in civil law matters: assistance in the context of civil litigation to companies and individuals both in the context of ADR (Alternative Dispute Resolution) - i.e. conciliation, mediation and assisted negotiation - and before judicial authorities and arbitrators on the national territory.

Debt recovery and civil executions: consultation and assistance during extrajudicial, judicial and executive phase of credit recovery, with identification and establishment of the most suitable procedures for a rapid forced recovery of credit, possibly including insolvency, and a precise and preventive evaluation of the assets to be set upon and the possibility of realization, so as to avoid unnecessary waste in terms of proceedings, economics and time.

Sales delegate of the Court of Milan: assumption of proxies by the Court relating to the fulfillment of all acts necessary for the sale and auction of assets subject to execution in the event of bankruptcy or foreclosure.

ASSIGNMENTS

- a) Member of the Board of Directors of Quanta Risorse Umane S.p.A., Milan;
- b) Data Protection Officer of various companies.

TEACHING AND PARTICIPATION IN RESEARCH STUDIES AND PROJECTS

From 2006 to 2009 he was lecturer in courses organized by LRA Learning Resources Associates S.p.A. in Milan regarding the industrial maintenance contract.

In December 2017 he was speaker at the Conference "Bankruptcy and Over-indebtedness Crisis: impact on individual enforcement procedures", organized by Omnia Executions and coordinated by Dr. Sergio Rossetti, Delegate Judge of the Milan Court, with a speech entitled "The over-indebtedness procedure: the first applications of the law 3/12".

PUBLICATIONS

From 2016 to 2018 he was founder and podcaster of "MCM the law podcast for Small and Medium Enterprises".

This is a legal podcast that sees small and medium enterprises as its main recipients. In each episode a legal topic is addressed, providing a practical approach to legal issues that may affect the ordinary and extraordinary management of a company.
