CURRICULUM VITAE

TRAINING

He graduated with a grade of 110/110, at the Faculty of Economics and Commerce of the University of Bari, discussing a thesis in Investigative Demography with Prof. Onofrio Papa: "Evolutionary trends of urbanization in Italy".

He obtained the qualification of Chartered Accountant in 1996 and enrolled in the Register of Chartered Accountants and Accounting Experts of Milan under no. 4455 in 1997.

He is a Statutory Auditor, enrolled in the Register of Statutory Auditors no. 74610 - appointed with Legislative Decree of 26.05.1999, published in the Official Gazette of the Italian Republic no. 45 IV special series dated 08.06.1999 and entered in the New Register of Statutory Auditors pursuant to art. 17 of the D.M. of 20 June 2012 n. 145.

PROFESSIONAL EXPERIENCES

Since January 1997 he has been collaborating with Studio Piccinelli Del Pico Pardi Sirabella e Associati, at the Milan office.

From January 1st, 2003 he joined the association, initially as an associate and, as of May 2007, he became a Partner.

As part of his professional activity, in particular, he has studied tax issues relating to national and international groups.

He continuously assists client companies starting from their establishment, taking care of activities related to the fulfillment of administrative, fiscal and corporate obligations and the preparation of the financial statements.

He also provides advice to collegial authorities, also through the drafting and participation in meetings, the drafting of statutes and shareholders' agreements.

He is an expert and practices corporate and tax consultation with particular attention to extraordinary transactions: acquisitions, disposals, contributions, spin-offs, mergers, demergers, transformations and liquidations.

He has gained significant experience in operations aimed at corporate reorganization and restructuring.

He has provided assistance to clients in regulating tax monitoring obligations.

ASSIGNMENTS

In conclusion, he was and is part various union and company positions in joint stock companies, including: Quanta S.p.A. (temporarily), Amaro Lucano S.p.A. (liqueur production), Luz S.r.l. (publishing) and ABN AMRO Securities Italy S.r.l. (financial intermediation).

TEACHING AND PARTICIPATION IN RESEARCH STUDIES AND PROJECTS

He was a member of the International Tax Commission of the Order of Chartered Accountants of Milan for a three-year period 2005-2007.

Since 2016 he has periodically lectured on the Investment Banking degree course as part of the master's degree course in Economics and Finance at the University of Milan Bicocca, chair of Prof. Paola Lanzoni, illustrating cases of international taxation and M&A transactions.
